UPDATE ON MERGER OF NEPI AND ROCKCASTLE

INTRODUCTION

In a joint announcement released on the Stock Exchange News Service ("SENS") of the JSE Limited (the "JSE") and the websites of the Bucharest Stock Exchange (the "BVB") and the Stock Exchange of Mauritius Ltd (the "SEM") on 14 December 2016, NEPI and Rockcastle announced their intention to merge their businesses in an entity newly-incorporated in the Isle of Man, NEPI Rockcastle PLC ("NewCo") (the "merger transaction"). In a further joint announcement released on 11 May 2017, the parties announced that the merger transaction would be implemented on the basis of a share swap ratio of one NEPI share for every 4.7 Rockcastle shares ("swap ratio").

NEPI and Rockcastle are now pleased to announce that (i) the circulars to their respective shareholders in relation to the merger transaction, each including a notice of general meeting of shareholders regarding the resolutions necessary to implement the merger transaction ("circulars") and (ii) the prospectus prepared in connection with NewCo's listing ("prospectus"), have been formally approved by the JSE and are expected to be issued on 9 June 2017.

SALIENT TERMS OF THE MERGER TRANSACTION

The parties have agreed that the merger transaction will be implemented as follows:

1. NEPI and Rockcastle will sell all their assets and liabilities, including 100% of their ownership interest in all underlying subsidiaries (but excluding any NewCo shares), to NewCo, in consideration for rights to have issued a number of NewCo shares determined based on the swap ratio.
2. Each of the parties will transfer its rights to NewCo shares to its shareholders. Shareholders will be entitled to elect to receive such rights either:
 - 2.1. pursuant to a distribution *in specie* made as a return of capital;
 - 2.2. pursuant to a distribution *in specie* declared as a dividend;
 - 2.3. in the case of NEPI only, in settlement of the consideration for the repurchase by NEPI of all the NEPI shares held by the relevant shareholder, but only if the shareholder has not elected to receive the distribution *in specie* as a dividend ("NEPI repurchase").

NEPI and Rockcastle will give effect to such shareholder elections to the fullest extent possible, having regard to available reserves and capital.

3. NewCo will issue NewCo shares to NEPI and Rockcastle shareholders, who will receive 1 NewCo share for every 1 NEPI share or 4.7 Rockcastle shares held.
4. Subject to the approval of the SEM through the issue of new Listing Particulars by Rockcastle, and if required in order to satisfy Rockcastle shareholder elections to receive a distribution *in specie* as a return of capital, NewCo will subscribe for a number of Rockcastle shares for a consideration equal to the value of a number of NewCo shares determined with reference to the swap ratio (which are *cum* the entitlement to participate in the distributions *in specie* to be declared/made by Rockcastle), to be paid by set-off, for the purposes of increasing Rockcastle's stated capital (the "NEPI Rockcastle subscription").
5. The entire issued share capital of NewCo will be listed on the Main Board of the JSE and on Euronext Amsterdam.

6. NEPI will be delisted from the JSE, with the intention (subject to the approval of the BVB and the Romanian Financial Supervision Authority) to also delist from the BVB, and ultimately be dissolved. Rockcastle will be delisted from the JSE, with the intention (subject to the approval of the SEM) to also withdraw from the SEM.

Save for the NEPI Rockcastle subscription, all of the above steps are inter-conditional and form part of the composite merger transaction, and remain conditional upon those conditions precedent summarised in the joint announcement of 14 December 2016 being satisfied or waived on or before 31 July 2017.
